### Highlights

- For over 40yrs the Nelson Market has gained a worldwide reputation – from fresh fruit to high quality arts & crafts. Plan your trip so as not to miss this market.
- The views from the Hope Saddle on SH6 over the Nelson Lakes and the Kahurangi Mountains are breath taking.
- Follow the Buller River through the earthquake riven landscapes on the road to Westport.
- Take a full day to drive to Karamea and discover the walks and historic mining settlements such as Denniston and Granity. Stop for coffee at a West Coast institution, The Cow Shed Café, just over the river bridge at Mohikinui.
- One of the best short walks in NZ is to the 43m high Oparara Limestone Arch outside Karamea – bring a torch.
- Anchored offshore in 1769, Capt Cook named Cape Foulwind after the seal colony located south of Westport. Don't let that stop you exploring one of the best coastal walks on the Coast.
- The Pancake Rocks at Punakaiki are the drawcard but get down on the beach at low tide.
- Greymouth, apart from being the Greenstone Capital of NZ is also home to Monteith's Brewery. Great for lunch or just to take the tour...or call us to do both.
- The historic goldfields at Ross with the largest open cast gold mine in the Southern Hemisphere.
- The Glaciers of Franz Josef and Fox are major highlights on the West Coast. As too is the easy circuit around Lake Matheson, famous for its reflections.
- After leaving Haast and one hour from Wanaka, the Matukituki River & Valley come into view. Stop in this film location from the Hobbit to listen to the distant sound of ice tumbling off the glaciers.
